Useful Information

Departure Airports

Our prices are based on standard weekend departures from London. It is possible to fly from most regional airports to both Zurich and Geneva and our Sales team can advise you of the most convenient routes, timings and related prices.

Making your own Travel Arrangements

If you wish to make your own flight arrangements or are making your own way to the Alps, we will re-quote the holiday price for you. Please note that if we need to arrange a special private transfer to meet your flight, there may be an extra charge. Please discuss this with our London team.

Business Class Upgrades

We are able to arrange Business Class upgrades with selected airlines at competitive rates. These upgrades will enable you to benefit from the additional service and comfort of Business Class travel, such as:

- Business Class check-in
- Access to the Business Class lounge
- Increased luggage allowance
- Upgraded catering and cabin services
- Priority luggage clearance at UK airports on your return journey.

Please note that these Business Class tickets do not give you the full flexibility to change your flight arrangements without charge. If you require fully flexible flights please call our London team on 020 8246 5300.

Minimum Length of Stay

All prices are quoted for stays of 7 nights, except where stated, and weekend prices include 3 nights. At New Year many hotels insist on a minimum stay of anything from 7 to 14 nights. Our London team will advise you of each hotel's minimum stay and quote a price for you.

Powder Byrne Transfers

Powder Byrne transfers to and from the airport and resort are either by private minibus, luxury coach or occasionally with a local taxi company. If your transfer is with a local taxi company you will be met by the driver at the airport and taken to resort. If it is a return transfer, you will be met at the hotel by your driver and taken to the airport. Powder Byrne does not provide refreshments for private taxi transfers. For all other transfers you will be met by a Powder Byrne member of staff at the airport.

Powder Byrne Resort Service

Powder Byrne operates a personal and attentive resort service in all of our resorts. Powder Byrne Resort service is available throughout the season in Flims and Zürs. In Zermatt and San Cassiano, our resort service is available from late January through to Easter, whilst in Grindelwald it is available from the end of December through to the end of February. Resort service is available in our satellite resorts during key peak periods, such as Christmas, New Year, February half-term and Easter. Our satellite resorts are St Christoph, Madonna di Campiglio, Arosa and Klosters. Whether you are staying in one of our full season, part season or satellite resorts, you can expect to receive the same high quality personal service. Full season, part season and satellite resorts are subject to change.

Dress code and New Year's Festivities

Most of our 4 star and 5 star hotels expect their guests to be dressed smartly in the evenings, particularly in the restaurants. Some have a particular dress code and require a jacket and tie to be worn. Over the New Year period most hotels will hold gala dinners and parties for their guests, the cost of which is included in our prices. Most hotels expect their guests to dress up for these events and a jacket and tie or even black tie is requested. We can advise you of the dress requirements at your chosen hotel and our hotel partners would appreciate your compliance.

Family Accommodation

Each of our hotels offers a number of options for families. These may be suites, junior suites, connecting rooms or large rooms with extra beds and we can help advise you on the most suitable arrangement. Most hotel rooms will take one extra bed, some will take two. Children under two travel free (see relevant paragraph). For children aged two or over, prices range from £448 when staying on an extra bed in their parents' room to the full adult price when staying in their own room.

How you rated our resorts

We have told you what we think of our resorts and hotels, but why not see what other Powder Byrne clients think of them. These ratings are taken from all the questionnaires completed by clients who travelled with us last winter. Ratings are for the resorts, ski areas and the hotels' facilities. They are average scores from all the questionnaires, marked out of five, where:

1 is "poor", 2 is "below average", 3 is "average", 4 is "good", 5 is "excellent".

ATOL Protection

The air holidays in this brochure are ATOL protected by the Civil Aviation Authority. Our ATOL number is ATOL 2763.

ABTA Protection

Holidays booked without flights are protected by ABTA. Our ABTA number is V4890.

Room Check In and Check Out Times

Hotels let rooms from midday to midday, but times do vary. Check in times are usually between 2pm and 3pm, check out times between 11 am and 12 noon on the day of departure. If your return flight is in the evening you will normally be required to vacate your room at 12 noon prior to leaving for the airport. Day rooms are arranged locally for you by our staff subject to availability and there may be an extra cost.

Passports and Visas

British subjects require a full British passport for visits to all destinations featured in this brochure. Passports must be valid for at least six months after the departure from their country. At the time of going to print, visas are not required for any of the destinations in this brochure if you hold a full British passport. Visa requirements can change and you must check the up-to-date requirements prior to departure. If you or any member of your party does not hold a British passport, you must check the entry requirements with your embassy or consulate.

Health Requirements

Vaccinations are not required when travelling to the destinations in this brochure. If you have a medical condition or if you are pregnant, then you must get clearance to travel from your own doctor. Pregnant passengers are not accepted by most airlines after 28 weeks gestation. For further information please consult the Department of Health leaflet Advice on Health for Travellers or visit www.doh.gov.uk/traveladvice.

Travel Advice

The Foreign & Commonwealth office produces up-to-date travel advice to all our destinations. For further information please visit www.fco.gov.uk/knowbeforeyougo or telephone 0870 606 0290. Alternatively you can contact ABTA's Travel Information Line on 0901 201 5050 (calls are charged at 50 pence per minute).

Flight Delays

Due to the nature of the airline business, flight delays do happen. If your flight is delayed the airline is responsible for communicating this to you at the earliest possible opportunity. In the rare event of a delay longer than three hours the airline should provide you with refreshments and, if in excess of six hours, a main meal. In the event of a longer delay the airline will provide meals and accommodation appropriate to the time of day. The same conditions apply if you are travelling on one of our own privately chartered aircraft.

Prices

Every holiday is tailor-made and quoted on an individual basis. The prices in this brochure are given as an indication and assume flight availability at the lowest available fare on our standard weekend departures. Prices include:

- Return scheduled flights with British Airways or Swiss to and from London or Powder Byrne charter flight at February half term.
- Minibus, luxury coach transfers or taxi to and from the airport. This applies to all Powder Byrne resorts except Arosa where some guests will travel by coach and first class rail.
- Powder Byrne service in resort where indicated, including ski guiding if eligible.
- Half board accommodation (bed, breakfast and dinner) at all hotels except Hotel Rosa Alpina in San Cassiano and the Petit Cervin in Zermatt where bed and breakfast accommodation is included.
- Prices are per person and are based on two people sharing a room.

In some of our resorts our staff and children's programmes are only in operation during certain holiday weeks. Outside these weeks, Powder Byrne service in resort is not provided and our prices include transfers by train or taxi.

A Guide to Extra Costs

This information is intended as a guide to extra costs you may incur on your holiday. Prices will vary according to currency fluctuations. Our London team will be happy to advise you of exact costs at the time of booking. Please note that these figures are based on 2008/9 rates as 2009/10 prices were not available at the time of going to print. Alternatively, refer to our website for updated information at www.powderbyrne.com.

Ski Passes

Unless otherwise specifically requested, we will pre-order your ski passes and deliver them to your hotel. We will send you an invoice for the ski passes, which should be paid with the balance of your holiday cost. Please note that your ski pass may require a photograph, depending on the number of days for which it is issued. A guideline is laid out in the following pages, according to resort.

Adult Ski Programmes

Powder Byrne Ski Guiding

We guarantee a minimum of three days of Powder Byrne ski guiding in each of our resorts (when Powder Byrne staff are present) which runs from 9am to 4pm. Your ski guide will meet you at your hotel for your day on the slopes. Lunch on the mountain will already be booked. Please note that our ski managers are not instructors and are not insured to take groups off piste.

PowderZone

Perfect for adventurous adults and teenagers, PowderZone teaches the thrill of powder skiing. This three day course runs in Grindelwald and Zermatt. The course in Zermatt includes a helidrop onto the Monte Rosa on the third day (weather permitting) guaranteeing an adrenalin-fuelled and memorable experience. PowderZone costs £350 in Zermatt and an additional £250 for the helidrop, and £320 in Grindelwald.

Off the Slopes

Our dedicated sales support team is available to make restaurant reservations, book spa treatments, baby-sitting and ski instruction, organise sleigh rides, cross country ski experiences, as well as any other requests you may have.

Private Instruction

Our staff are able to arrange ski school classes for you on your arrival, however we strongly recommend that you pre-book in high season. Ski school should be paid for locally. We also strongly recommend that you pre-book private lessons before you depart from the UK as private instructors are in high demand, especially during peak weeks.

Please note that it is often not possible to book half days during high season. In most resorts, ski school classes run from Monday to Friday. The cost of any private instruction will be invoiced to you prior to your departure. Please indicate your exact requirements on your booking form.

For prices of private instruction in a specific resort please call our team on 020 8246 5300.

Children’s General Information

Accommodation

Our hotels offer various room combinations that work to accommodate families of all sizes and ages. Many provide complimentary accommodation for children staying in their parents’ room on an extra bed. For more details please speak to one of our sales team who will confirm the best room arrangement and price for your family.

Babysitting

Babysitting can be arranged in all our resorts. The service is provided either by a member of our own staff or by a local babysitter used regularly by your hotel. Since babysitting is always in high demand, we recommend you give as much notice as possible. Babysitting can be requested through My PB on our website. Once confirmed, if you need to cancel a babysitter, a minimum of 24 hours’ notice is required or the full amount will be charged. Powder Byrne babysitters are a fixed price. The cost of local babysitters varies and may be more expensive. If a Powder Byrne member of staff is not available, a local babysitter will be arranged.

Baby Supplies

Most baby supplies such as nappies, formula milk and jars of food can be purchased locally. If you require a particular brand it is advisable to take your own or contact our crèche manager in resort prior to your departure. Baby supplies can be requested through My PB on our website.

Child Safety

All children following our ski programmes must wear a Powder Byrne helmet (provided locally free of charge) for their protection and ease of identification. Children in Yetis must also wear a special Yetis bib (provided locally) to ensure they can be easily recognised by our staff.

Individual ski groups are kept as small as possible and well below the limits the ski schools themselves use. Group sizes may vary depending on the ability and mix of children.

It is important that children follow the instructions given by our staff and the local instructors as skiing can be a hazardous sport.

Parents are required to disclose any special needs their children have upon booking. Where possible we will do everything we can to ensure any special requirements are met. We are aware there may be certain circumstances that we are unable to cater for and each request will be looked at on an individual basis.

Please note although every care and attention is taken we cannot guarantee that the food we provide has not been manufactured or produced in an environment free from nuts or nut related products. We wish to advise you that we are always committed to taking all steps to ensure the well-being and health of all the children in our care.

Ski Equipment

Children’s ski equipment may be rented at our appointed ski hire shops in resort.

Ski Passes

The cost of children’s ski passes depends on their age and the ski area. Ski passes are booked and paid for in advance and will be delivered to you directly by our staff in resort.

Ski Ability

Children in Yetis and SnoZone are split into groups by age and ability. This is done initially according to the ski ability levels you give us at the time of booking and at the end of your holiday by the instructors themselves. It is possible for children to move between groups if their ability is not appropriate to the group they are in. Occasionally a child’s ski ability falls between two Yeti groups. In this case we will do our utmost to find a solution, but we are not in a position to offer one-to-one instruction. Please note that if a child is unable to manage to ski for the whole day, we do not provide alternative childcare.

Yeti Suppers

All Powder Byrne children can join Yeti supper, but those under the age of four must be under parental supervision.

Ill Children

In the interests of everyone’s health we do not accept ill children on any of our programmes. Children must be clear of any illness for at least 24 hours before going back and admission will always be at the discretion of our local managers.

Flights

Infants aged under two years on the date of their return flight travel free with Powder Byrne. They only have their own seat if the full child fare is paid.

Airport Transfers

We often use luxury coach transfers as well as minibuses for families. We find children enjoy the extra space and our staff can circulate and meet the children during the journey. We always provide seat belts, baby seats and booster cushions in our minibuses. Many, but not all of our coaches have seat belts and all crèche age children will be provided with baby seats.

Local Transportation

For trips around resort and the local area children of three years and under are always provided with the appropriate baby or child seat. Due to logistical reasons we are unable to provide booster seats for children four years and over. Where fitted, our staff will ensure that children wear seat belts on even the shortest of journeys. Due to the nature of ski buses in resort, it is not always possible to use buses with seat belts for transportation to and from the slopes. If you require your child to have a booster seat for local journeys then please bring the appropriate seat with you.

Programme Dates

Our programmes fill up quickly, especially during the busy holiday weeks, it is therefore advisable to book early as numbers are limited. Occasionally we may add extra programmes or weeks if it looks necessary, so please call us or consult our website for any changes to the programme. Our programmes operate with minimum and maximum numbers. If any of our programmes do not have sufficient numbers then we reserve the right to close them. In this instance, we will endeavour to offer a suitable alternative.

Children Under Two Travel Free

All children under the age of two travel free with Powder Byrne when they share a room with their parents. This includes bed, breakfast, flights and transfers. For further information please call our London team.

Travel Insurance

COMPLIMENTARY MEDICAL INSURANCE

As a service to our clients, we automatically insure everyone for medical and related expenses while you are on holiday with us, regardless of any other insurance you may have in place. In this way we can be sure that not only is everyone covered against illness and accidents, but that our resort staff will know exactly who to contact in an emergency and will be better placed to help you.

The sum insured is £5,000,000 and the full policy wording will be sent to you with your booking confirmation, which we urge you to read, and in particular the exclusions related to pre-existing medical conditions. Since this insurance is provided on a complimentary basis, you are asked to pay the first £125 of any claim.

We have also included cover for other items such as Personal Liability, Legal Expenses, and loss or damage to Ski Equipment. Please see the table of cover below for a full list. However please note there is no provision for cancellation or loss of baggage and we urge you to make other arrangements in this regard.

PRE-EXISTING MEDICAL DISCLOSURE

There are exclusions relating to pre-existing medical conditions and we urge you to read the policy carefully to establish whether a pre-existing condition is excluded. Should this be the case and you would like consideration to be given to include your medical condition, please contact MPI Brokers on 0845 180 0062.

The policy is a good quality plan designed by MPI Brokers. It is underwritten by Optimum Underwriting Ltd as underwriting agents of Groupama, one of the largest insurance companies in the UK and Europe.

All claims are handled by Claims Settlement Agency and assistance is handled by International Medical Rescue, well known for their experience in helping and, where necessary, repatriating the injured.

Code of Practice

Under the Association of British Insurers General Code of Practice, we must draw your attention to some important features of your insurance, including:

INSURANCE DOCUMENT

You should read this carefully. It gives full details of what is and is not covered and the conditions of the cover.

CONDITIONS AND EXCLUSIONS

Specific conditions and exclusions apply to individual sections of your insurance, whilst general exclusions and conditions will apply to the whole of your insurance.

HEALTH

This insurance contains restrictions regarding pre-existing medical problems concerning the health of the people travelling and of other people upon whose health the trip depends. You are advised to read the document carefully.

PROPERTY CLAIMS

These claims are paid based on the value of the goods at the time you lose them and not on a ‘new for old’ or replacement cost basis.

LIMITS

This insurance has limits on the amount the insurer will pay under each section. Some sections also include other specific limits, for example, for any one item or for valuables in total.

EXCESSES

Under some sections of this insurance, claims will be subject to an excess. This means you will be responsible for the first part of any claim.

REASONABLE CARE

You need to take all reasonable care to protect yourself and your property, as you would if you were not insured.

DATE CHANGE EXCLUSION

Your policy excludes anything directly or indirectly caused by the failure of any computer hardware or software or any other electrical equipment to recognise or process any date as the true calendar date.

DANGEROUS SPORTS AND PASTIMES

If you are going to take part in dangerous sports or pastimes where there is an inherent risk of injury, check that this insurance covers you.

CUSTOMER SERVICE

Our brokers pride themselves on providing a high level of service. However, if you think they have not lived up to your expectations, please refer to the wording which outlines our complaints procedure.

Booking Conditions

YOUR CONTRACT IS WITH POWDER BYRNE INTERNATIONAL LTD, A MEMBER OF ABTA.

1. YOUR HOLIDAY CONTRACT

When you make a booking you guarantee that you have the authority to accept and do accept on behalf of your party the terms of these booking conditions. A contract will exist as soon as we issue our confirmation invoice. This contract is made on the terms of these booking conditions, which are governed by English Law, and the jurisdiction of the English Courts. If you had not seen these terms and conditions when you made your booking and you are not happy to proceed with the booking now that you have seen them please return all documentation to us or to your travel agent, within 7 days of receiving these booking conditions. Your booking will be cancelled and your monies will be returned in full, provided you have not commenced your travel. This clause does not apply if your booking was made within 9 weeks of travel.

2. YOUR FINANCIAL PROTECTION

Powder Byrne International Ltd is a Member of ABTA with membership no. V4890. ABTA and ABTA Members help holidaymakers to get the most from their travel and assist them when things do not go according to plan. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. For further information about ABTA, the code of conduct and the arbitration scheme available to you if you have a complaint, contact ABTA, 68-71 Newmarket Street, London, W1T 3AH, Tel: 020 7637 2444 or www.abta.com. In order to ensure that the monies you pay for your holiday are protected we will issue a confirmation invoice showing the details of the services that you have booked including the price and the amount of money paid by you. You should check these details carefully and contact us immediately if there are any discrepancies. Go to www.abta.com for a copy of the Guide to ABTA's Scheme of Financial Protection. We also hold an ATOL with no. 2763, and an IATA accreditation (Licence no. 91253735).

3. YOUR HOLIDAY PRICE

When you make your booking you must pay a minimum deposit of £400 per person. The balance of the price of your travel arrangements must be paid at least 8 weeks before your departure date. If the deposit and/or balance is not paid on time, we shall cancel your travel arrangements. If the balance is not paid on time we shall retain your deposit. All monies you pay to the travel agent are held by him on our behalf at all times.

The prices in this brochure were calculated using exchange rates quoted by The Royal Bank of Scotland on 5th January 2009 in relation to the following currencies: CHF1.5990 and £1.0620.

Information and prices in this brochure were correct at the time of going to print.

The price of your travel arrangements can be varied due to changes in transportation costs such as fuel, scheduled airfares and any other airline cost changes which are part of the contract between airlines (and their agents) and the tour operator. Also government action such as changes in VAT or any other government imposed changes and currency changes in relation to an exchange rate variation.

In the case of any small variation, an amount equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums and any amendment charges, will be absorbed or retained. For larger variations this 2% will still be absorbed for increases but not retained from refunds. In either case there will be an administration charge of £50 per person together with an amount to cover agents' commission. If this means that you have to pay an increase of more than 10% of the price of your travel arrangements, you may cancel your travel arrangements and receive a full refund of all monies paid, except for any amendment charges. We will consider an appropriate refund of insurance premiums paid if you can show that you are unable to transfer or reuse your policy. Should you decide to cancel for this reason, you must exercise your right to do so within 14 days from the issue date printed on your final invoice. Whether you cancel or not you will also be entitled, on the terms set out in respect of major changes in paragraph 6 below, to accept an offer of alternative travel arrangements from us if we are able to do so and compensation as set out below. Please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place. **Note: Payments made by credit card will incur a 2% surcharge. This does not apply to Switch or Delta.**

4. IF YOU CHANGE YOUR BOOKING

If, after our confirmation invoice has been issued, you wish to change your travel arrangements in any way, for example your chosen departure date or accommodation, we will do our utmost to make these changes but it may not always be possible. Any request for changes to be made must be in writing from the person who made the booking or your travel agent. You will be asked to pay an administration charge of £50 per person and any further cost we incur in making this alteration. You should be aware that these costs could increase the closer to the departure date changes are made and you should contact us as soon as possible.

Note: Certain travel arrangements (e.g. flights booked on line) may not be changeable after a reservation has been made and any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements.

5. IF YOU CANCEL YOUR HOLIDAY

You, or any member of your party, may cancel your travel arrangements at any time. Written notification from the person who made the booking or your travel agent on your behalf must be received at our offices. Since we incur costs in cancelling your travel arrangements, you will have to pay the applicable cancellation charges up to the maximum shown in clause 6.

Note: If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges.

6. IF WE CHANGE OR CANCEL YOUR HOLIDAY

It is unlikely that we will have to make any changes to your travel arrangements, but we do plan the arrangements many months in advance. Occasionally, we may have to make changes and we reserve the right to do so at any time. Most of these changes will be minor and we will advise you or your travel agent of them at the earliest possible date. We also reserve the right in any circumstances to cancel your travel arrangements. For example, if the minimum number of clients required for a particular travel arrangement is not reached, we may have to cancel it.

However, we will not cancel your travel arrangements less than 8 weeks before your departure date, except for reasons of force majeure or failure by you to pay the final balance. If we are unable to provide the booked travel arrangements, you can either have a refund of all monies paid or accept an offer of alternative travel arrangements of comparable standard from us, if available (we will refund any price difference if the alternative is of a lower value). If it is necessary to cancel your travel arrangements, we will pay to you compensation as set out in this clause.

Please note that carriers such as Airlines used in the brochure may be subject to change. Such a change is deemed to be a minor change. Other examples of minor changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same standard.

PUBLICATION EDITION 1, MAY 2009

If we make a major change to your holiday, we will inform you or your travel agent as soon as reasonably possible if there is time before your departure. You will have the choice of either accepting the change of arrangements, accepting an offer of alternative travel arrangements of comparable standard from us if available (we will refund any price difference if the alternative is of a lower value), or cancelling your booked holiday and receiving a full refund of all monies paid.

In all cases, except where the major change arises due to reasons of force majeure, we will pay compensation as detailed below:

Period before departure within which notice of cancellation or major change is received by us or notified to you	Amount you will receive from us if we make a major change to your holiday	Amount you will receive from us if we cancel your holiday	Amount of cancellation charge if you cancel your holiday
More than 56 days	£0	Deposit only	Deposit only
More than 35 days	£0	100% of holiday cost + £0	45% of holiday cost
More than 21 days	£30	100% of holiday cost + £30	60% of holiday cost
More than 8 days	£40	100% of holiday cost + £40	80% of holiday cost
Less than 8 days	£50	100% of holiday cost + £50	100% of holiday cost

The compensation that we offer does not exclude you from claiming more if you are entitled to do so.

Force Majeure: This means that we will not pay you compensation if we have to cancel or change your travel arrangements in any way because of unusual or unforeseeable circumstances beyond our control. These can include, for example, war, riot, industrial dispute, terrorist activity and its consequences, natural or nuclear disaster, fire, adverse weather conditions.

7. IF YOU HAVE A COMPLAINT

If you have a problem during your holiday, please inform the relevant supplier (e.g. your hotelier) and our Resort Manager immediately, who will endeavour to put things right. If your complaint is not resolved locally, please follow this up within 28 days of your return home by writing to our Customer Services Department at 250 Upper Richmond Road, London SW15 6TG, giving your booking reference and all other relevant information. Please keep your letter concise and to the point. This will assist us to identify your concerns quickly and speed up our response to you.

It is strongly suggested that you communicate any complaint to the supplier of the services in question as well as to our representative without delay and complete a report form [whilst in resort](#).

If you fail to follow this simple procedure we will have been deprived of the opportunity to investigate and rectify your complaint whilst you were in resort and this may affect your rights under this contract.

8. WHAT HAPPENS TO COMPLAINTS

Disputes arising out of, or in connection with, this contract which cannot be amicably settled may be referred to arbitration, if the customer so wishes, under a special Scheme arranged by the Association of British Travel Agents, and administered independently by the Chartered Institute of Arbitrators.

The scheme provides for a simple and inexpensive method of arbitration on documents alone with restricted liability on the customer in respect of costs. Full details will be provided on request or can be obtained from the ABTA website www.abta.com.

The Scheme does not apply to claims for an amount greater than £5,000 per person. There is also a limit of £25,000 per booking form. Neither does it apply to claims which are solely in respect of physical injury or illness or their consequences. The Scheme can however deal with compensation claims which include an element of minor injury or illness subject to a limit of £1,000 on the amount the arbitrator can award per person in respect of this element.

The application for arbitration and Statement of Claim must be received by the Chartered Institute of Arbitrators within 9 months of the date of return from the holiday. Outside this time limit arbitration under the Scheme may still be available if the company agrees, but the ABTA Code does not require such agreement.

For injury and illness claims, you may like to use the ABTA/Chartered Institute of Arbitrators Mediation Procedure. This is a voluntary scheme and requires your tour operator to agree for mediation to go ahead. The aim is to help you resolve your dispute in a quick and cost effective way. Details on request or from www.abta.com.

We limit the cost of our assistance to you or any member of your party to £5,000.

11. CONDITIONS OF CARRIAGE
